

## BETHANY PIONEER CEMETERY

Bethany Pioneer Cemetery records and cemetery "plots" began in 1862. Prior to this, **only** deaths were recorded, not burial plots. People affected by this are indicated by **\*\*\*pre1862** in the "Notes on burial plot" and "Burial plot record" fields.

Where the term "marker" is used, this indicates a small cement slab with a metal plaque with details. These markers were placed on plots in the 1970's by the Bethany Church Cemetery Committee

This data amended and updated 27th February 2017, prior to the 175th anniversary of the town of Bethany. Since the last update, more rows, graves and records have been located. Some graves have been added but not included in Bethany records.

It needs to be recognised that not all record keeping was as fastidious as in current times. Spelling and other errors occurred. Where possible suggested edits have been made.

Indicates a burial not found in Bethany records

Indicates a plot with no marker, no surviving plot identification, or an unknown burial plot

Indicates a grave or name not recognised in Bethany records
