WARDENS

The family rostered first for each month will be responsible for organising the roster for that month.

You will need two wardens, two bell ringers to assist the senior warden, a Reader and a Power Point Operator for every Sunday.

Wardens:

PLEASE WEAR NAME TAGS. Hand out bulletins and any notices.
Take up the congregational offering and assist the treasurer with collating the offering.

Supply a copy of the Tabor History leaflet to any guests, especially those from “out of town” or new to Tanunda.

PA System Operators:

Operate system during the service. Check both the Pastor's and the Lectern microphone before each service.

Be prepared to assist with the Band Practice (time to be advised)

Raelene Falland is available for training PA System operators and bell ringers.

Power Point Operators: Please supply someone to operate the computer for the power point. Please be there at least 20 minutes before the service to set up the computer and start the welcome screen. This will give you a chance to check for any problems and call for help! Any problems?

Please contact Raelene Falland, Carolyn Semmler or Katrina Neldner.

GREETERS

We would like EVERYONE from our congregation to be greeters each Sunday.

HOW?

Well, if you come early to worship, please stay outside for a while and be ready to welcome and speak with ALL members, friends and guests of Tabor.

Shake their hands, discover their names (if you don't know them), where they come from (guests) and really make them feel welcome. Invite them to sit with you and invite them for a cuppa after the service.
If each one of us do this, we will be able to make EVERY PERSON feel welcomed at Tabor.
