

UPDATE FROM BETHANY CHURCH COUNCIL

The Manse settlement was on 8th December. We are now the proud owners of 11 Rothe Way, Tanunda. It is still tenanted, so please respect the tenant's privacy.

Thank you to all our members who have volunteered throughout the year - there are many of you. A special thanks to those who are retiring at the end of this year. Every bit of help you have given has helped keep our Church running. A very special thanks to our Chairperson, Paul Rohrlach, who will be stepping down from the role at the end of this year. Paul is a valued member of our Church and has been an important cog in the leadership team for many years. His services and leadership skills will be missed. Thank you for coping with our varied ideas and opinions. You are a very special person.

Thank you to the following members for filling our vacant positions— Chris Canute on Members Care, Tim Kroehn on the Manse Team and Diane Trenberth as our Hub rep. We still have some vacancies on the Worship Committee and the Catering Committee, as well as the Chairperson role. Please help us to fill these positions.

Just a reminder about the rules around morning tea and covid. There is no self service of drinks and food. For indoor service, everyone must be seated and masks can be removed whilst eating and drinking. For outdoor service, people can stand and masks can be removed. Please also remember your 1.5m social distancing from others at all times.
